MESSAGE FROM EDITOR IN CHIEF

Assalamualaikum Warahmatullahi Wabarokatuh

It is my great pleasure to welcome you to Journal of Techno Social : *Issue on Society, Technology and Governance* (Volume 5 No. 2). This latest edition is a continuation effort to share latest research findings and conceptual framework in the field of society, technology and governance.

This edition consists of nine (9) articles which have been academically reviewed and carefully selected. I hope that these articles will give a valuable knowledge and the latest technology application in society development and engagement and trends in its respective fields and thus, spur further interest in the related research field.

As such I would like to invite all scientists, researchers, academicians, professionals as well as students who are actively involved in society, technology and governance reseach to publish their works in this journal.

Last but not least, I would like to express my greatest appreciation to the organizing committee and all authors of the articles in this volume. It is their generous contributions of time and effort that made this issue possible.

Thank you.
